WOW what a sale to kick off February with. Numbers were lower, due to the cold and wet moisture we received last week. We managed to still gather 217 Head of cattle. Feeder steers and heifers remained steady on #1 cattle not as many to truly test the market this week. On the packer cow and bull market end of things ended \$5 to \$10 higher on most classes of packers. Bred cow and pair market was on fire this week. Top bred cows and pairs topped out at \$2,000.
