**Some plainer and hard to place lower grade calves fall below these figures. **

We started off the month of May with a good solid run of good quality cattle.

The cattle quality was outstanding, and buyers sure did notice. The market on feeder steers and heifers remained steady to \$2-\$4 cwt higher on some classes. Packer market started to see a little decline but still a pretty good dollar figure for a cull cow. Packer bulls came to the front this week as high bull was \$123 cwt.
