**Some plainer and hard to place lower grade calves fall below these figures. **

What a great week it turned out to be here at KCA. The market held stronger, and quality was even stronger. Buyers came to the front of their seats to buy these cattle today. Feeder steers and heifers remained steady to active. Compared to last week the market held \$3 upwards of \$5 higher on some classes. The remaining classes held their own. Packer cows and bulls were active and steady to last week.
