**Some plainer and hard to place lower grade calves fall below these figures. **

Another great week up on the hill at Karnes City Auction. As we roll into September, we start to see weather changes therefore cattle health is top priority. Which affects the market. The market remains steady to a touch softer in some classes. Good quality cattle are still bringing a great dollar figure. Once you get into the plainer cattle buyers seem to have a harder time placing them. Packer cows and bulls remain steady to active.
