Wow, what a great way to end the month of January. Cattle numbers lowered due to the much-needed rain we received. Therefore, demand has kicked in especially for the front-end cattle. Feeder steers and heifers sold \$5 cwt to upwards of \$25cwt higher than the previous week. Packer cows and bulls have caught the same attention and sold \$5 to \$12 higher this week. Overall, it was a great day to be a seller at KCA.
