*\*Some plainer and hard to place lower grade calves fall below these figures. \**

What a great market we had up on the hill. Prices are holding strong with great demand. Lighter run due to the 1.5-2.0 inches of rain, but buyers still tried to buy everyone they could. Feeder steers and heifers \$5 cwt to \$7cwt higher when compared to last week’s market. All cattle are holding strong demand overall. Packer cows and bulls remain strong with very high demand. Quoting this week’s cows \$3 to \$5 higher.

Overall, it was a great day to be a seller at KCA.
